**Corporate Governance Statement**  
**Appendix A - Board Composition**

**Director Independence**

The Board considers that the number of directors and the composition of the Board are important for the success of the Company.

The Board believes that maximum value for shareholders is best served with the current Board composition comprising five directors, with four being non-executive directors of whom two are independent.

The two independent directors are Denis Ledbury and Joseph Pang.

David Teoh, the Executive Chairman, is not independent as he is a substantial shareholder of the Company. The Board is of the view that the depth of experience and understanding that David has of the Company and of the industry in which the Company operates provides benefits that exceed those that may flow from having an independent non-executive director.

Robert Millner, a non-executive director, is not independent as he is a director of a substantial shareholder of the Company, Washington H Soul Pattinson and Company Limited. Robert has specific historical, financial and business knowledge of the Company, the benefits of which, in the opinion of the Board, outweigh the benefits of independence at this time.

Shane Teoh, a non-executive director, is not independent due to his family relationship with major shareholders. The benefits of Shane's legal qualification, experience in commercial and legal matters and detailed knowledge of the Company and of the industry in which it operates outweigh, in the opinion of the Board, the benefits of independence at this time.

The Board believes that each director brings an independent mind and judgement to bear on all Board decisions, notwithstanding that the Chairman and a majority of the Board are not independent. All directors are able to and do review and challenge the assumptions and performance of management to ensure decisions taken are in the best interest of the Company.

**Chairman of the Board**

The Chairman is an executive director and Chief Executive Officer of the Company. Nevertheless, the Board believes that David Teoh, in this dual role, does bring the quality and independent judgement to all relevant issues that are required of the Chairman. As Chief Executive Officer, Mr Teoh consults the Board on matters that are sensitive, extraordinary or of a strategic nature.

The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

<sup>2</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

<sup>3</sup> Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.
